Re: C00244335  
July Quarterly Report (4/18/96-6/30/96)

Dear Ms. Kelly:

With reference to your letter of April 11, 1997, please be advised that our committee has just realized it inadvertently failed to file the required 48 hour notice concerning two contributions received between two and twenty days before the Primary election. This failure was simply an oversight.

The Committee has established procedures for filing these 48 hour reports. As our record will show, this oversight is the first in our long history of filing. We have once again revisited our procedures and are convinced that this oversight will not happen again.

Sincerely,

*Gail Harmon*
